

Anti-Tilt Drawing and Plan Cabinet

All the same features as the Standard Cabinet, but with the additional benefit of anti tilt feet which automatically extend and retract when the door is opened and closed, allowing the cabinet to be free standing.

Finished in two tone grey or coffee/cream with other colours available on request. Alternatively a wooden version is also available with a light oak finish.

A0 Cabinets can be supplied with either 2 prong or 4 prong configurations and suitable self adhesive planstrips can be supplied in packs of 100 for applying to the drawings to be stored (see planstrip section).
