

Multiprong Wall Unit

This wall unit is ideally suited to situations where space is at a premium. With a capacity of up to 500 sheets, it is available in 2 sizes - A1 and A0. Fitted with a high quality steel ball race slider mechanism. Wallets

The Vistaplan range of heavy duty polypropylene wallets provide added protection to important drawings. Available for use with the multiprong systems.

The Multiprong System has been specifically designed for situations where single sheet retrieval is necessary.

Multiprong units are available in 2 sizes to accommodate all popular drawing formats. Mixed sheet sizes and materials can be stored in the same unit. Ease of operation ensures quick access to the drawing required.

Drawings can be easily fitted with multihole polyester planstrip. A 5m sample roll is supplied with each unit. 100 metre rolls are available to order.
